Solar Panel Attachment  
Battery Pack

## Live Home Footage Anywhere in the Cync App

Viewable on a mobile device with the Cync app from anywhere with an internet connection. Video clips recorded by the camera can be saved to a Micro SD card or a Cync Cloud Storage subscription.

## Motion and People Detection Alerts

Set the Cync app to send alerts to a mobile device when motion is detected within view of the indoor camera. Settings can be customized to low, medium or high detection. Enable People Detection to ensure that a person in view of the camera will trigger a motion detection alert.

## Automatic Night Vision

Video is live 24/7 at 1440p during the day with automatic shift to night vision when the sun goes down.

## Two Way Audio

The Outdoor Smart Camera has a built in microphone and speaker for two-way audio communication.
