Wire-Free Smart Switch Remote

No Electrical Connections

The Wire-Free Smart Switch Dimmer is battery powered and doesn't require an electrical connection. The smart switch can be installed on any wall or surface. Simply remove the adhesive tape, stick to a wall, and set up the Wire-Free Switch in the Cync app.

Adjust Lighting at the Switch

Adjustable color temperature at the smart switch when paired with Cync Tunable White and Full Color Smart Bulbs. Adjust whites from cool, refreshing light to warm, cozy light from the smart dimmer switch.

3-Way Connections

Control a light in a different room by wirelessly pairing this switch to a Cync Smart Switch. Creates 3-way connections with other Cync Smart Switches, to enable control of a single light or group from multiple switches.
